Mr. Cum Posey,
324 - 13th Ave.,
Homestead, Pa.

Dear Posey:

I am enclosing you this blotter to read. You see that we have already started publicity about the Elks game. I would like to know a little more about the program.

About Atlantic City, Abe made a trip there a few days ago, and they have assured him they will have lights. We are planning to go there on an afternoon in May and start things going. I imagine the Elks game there should be very successful.

I have just written "See" in regards to April 27th. We had expected to play Birmingham in Little Rock, but Dr. Martin had the Park to play the Cubans, so we found ourselves without a game. As a last resort, I will play some team in Daytona, if I can get one.

About the trade I wrote you, we will hold up for a while until I see how my roster shapes up. In my letter to "See" I offered him Carter for Benjamin. Do you want to make that trade? Please let me hear from you.

Very truly yours,
